

Programme/Metric	2006/07	2007/08		
	Full Year Result	Full Year Target	Half Year Result	Full Year Result
1. RAEng/EPSRC Research Fellowships				
Total number of Fellowships in place at year end	50	62	48	57
Total number of papers produced in-year	123	150	58	148
% of Fellows retained in research on conclusion	91	92	92	93
Total value of third party support in-year	£4,050K	£5,364K	£2,076K	£5,779K
% of mentor reports rated 'successful' or better	95	95	100	100
Average Rebased Impact (RBI) of publications and citation performance	1.52	1.35	t.b.a.	1.51
2. Research Chairs and Senior Research Fellowships				
Number appointed in-year	11	11	5	11
Total number in place at year end	30	35	33	35
Total of papers produced in-year	113	125	59	64
Total number of patents obtained in-year	2	3	0	5
Total value of third party support in-year	£13.6M	£15.0M	£7.1M	£15,014K
Ratio of Third party support to GIA support	12.1:1	10.7:1	10.1:1	10.9:1
% of positions given ongoing industrial partner support	100	100	100	100
% of mentor reports rated 'successful' or better	95	95	100	100
Average size of team created	10.4	10	10	11.6
Average Rebased Impact (RBI) of publications and citation performance	0.9	0.9	t.b.a.	0.9
3. Global Research Awards				
No of awards in year	15	15	6	15
% of reports rated 'successful' or better	95	95	100	100
% of Award holders in continued contact after one year	86	89	86	100
Third Party Support	£488K	£498K	£66K	£494K
4. Industrial Secondments				
% of completion reports rated 'successful' or better	86	85	85	90
% of 'year-on' reports rated 'successful' or better	86	85	80	100
Number of secondees in year	13	17	13	16
5. Visiting Professorships				
Total of value added support in kind from industry, of which:	£865K	£750K	£851K	£1,151K
- Principles of Engineering Design	£287K	£200K	£292K	£353K
- Design for Sustainable Development	£261K	£200K	£271K	£362K
- Design of Integrated Systems	£257K	£350K	£288K	£436K
Total number in place	167	165	170	170
% of reports rated 'successful' or better	75	75	75	75
6. Engineering Professional Development Awards				
% of reports from SME management rated successful or better	84	85	88	87
Total value of third party support in-year	£2,674K	£2,439K	*	£4,767K
Ratio of third party support to OST support	8.5:1	8.5:1	*	17.8:1
7. International Travel Awards				
% of dissemination reports rated 'successful' or better	92	90	93	93
% of awards leading to on-going research networks	89	90	93	93

Programme/Metric	2006/07	2007/08		
	Full Year Result	Full Year Target	Half Year Result	Full Year Result
8. Research Chairs in Emerging Technology				
(To be launched in 2007/8)				
Number of papers produced per Chair in-year	n.a.	t.b.a.	*	0
% of mentor reports rated 'successful' or better	n.a.	t.b.a.	*	0
Number of industry links established in-year per chair	n.a.	t.b.a.	*	0
9. Distinguished Visiting Fellowships				
(To be launched in 2007/8)				
% of reports from hosts rated 'successful' or better	n.a.	90%	*	*
% of visits resulting in continued international links one year on	n.a.	75%	*	*
Number of Fellowships in year	n.a.	20	17	28
<i>* Will be known later in the year</i>				
10. Research Exchanges with China/India				
(To be launched in 2007/8)				
% of final reports rated 'successful' or better	n.a.	90%	*	n/a
% of exchanges resulting in continued international links one year on	n.a.	75%	*	n/a
Number of exchanges at year end	n.a.	5	*	18
11. Best Engineering Education Programme				
Number of Young Engineers Clubs established	1,489	1,607	1,200*	1,591
Number of students participating in pre-university schemes	9,541	9,710	5,500*	9,280
Number of students participating in undergraduate schemes	177	160	30*	146
Number of students participating in postgraduate schemes]	50	50	10*	55
Total of external funding	£5,436K	£4,400K	£3,000K*	£4,944k
<i>* Year to date results</i>				
12. Engineering Policy and International Activity				
Number of responses submitted to Parliamentary and other enquiries	13	12	8*	18
Number of Academy sponsored reports produced in-year	5	4	2	2
Number of events arranged in support of reports and investigations	18	12	6*	11
13. Communications and Publications				
Total number of Academy events accessible to the public	10	10	13	17
Circulation of Ingenia magazine	5,000	9,000	7,000	10,500
% of readership surveys for Ingenia rated 'successful'	94%	*	*	*
Hit rate per month of 'unique visitors' on Academy web-site	78,000	85,000	111,000	97,000
Time spent in seconds of 'unique visitors' to Academy web-site	110	125	112	120
<i>* Readership surveys are biennial, next figures in autumn 2008</i>				
14. Programme for Science Teachers				
(To be launched in 2006/07)				
Number of science teachers involved in programme in year	770	1,100	467	1,100*
<i>* Year end is 30 June 2008, currently 856 placements made.</i>				
15. Public Engagement Fellowships				
(To be launched in 2006/07)				
% of Fellowships rated 'successful' or better by Academy Fellows	t.b.a.	80%	*	tba
Number of awards made	13	15	*	14
<i>* Awards will be made in March 2008</i>
