

The Prince Philip Medal 2012

In 1989 HRH The Prince Philip Duke of Edinburgh KG KT, Senior Fellow of The Royal Academy of Engineering, agreed to the commissioning of a gold medal to be known as the Prince Philip Medal. The Medal is awarded biennially to an engineer of any nationality who has made an exceptional contribution to engineering as a whole through practice, management or education.

Invitation to nominate

Closing date for nominations: Friday 4 November 2011

Rules and Conditions

- 1) Nominations are invited for The Royal Academy of Engineering Prince Philip Medal 2012.
- 2) The Award will consist of a medal and certificate.
- 3) The Medal is normally awarded to an engineer of any nationality who has made an exceptional contribution to engineering as a whole through practice, management or education.
- 4) The recipient of the Prince Philip Award will be selected by the Council of The Royal Academy of Engineering on the recommendation of the Awards Committee.
- 5) One Medal will be awarded biennially. The Medal will not be awarded if in any year the Council so decides.
- 6) Submissions should be made on the accompanying form (available also on **www.raeng.org.uk**) and sent to The Royal Academy of Engineering and must give the following information:
 - a. Particulars of nominee.
 - b. Citation of not more than 500 words.
 - c. Curriculum vitae of not more than two pages should be attached.
 - d. Letters of support from two referees should be attached.
- 7) Submissions must arrive no later than **Friday 4 November 2011**.

Only completed nominations will be considered. Please ensure that the nomination form is complete with CV and letters of support at the time of submission.

All enquiries and submissions should be made to:
