## Rules and Conditions

1. Nominations are invited for The Royal Academy of Engineering Public Promotion of Engineering Award 2009. Self nominations are not acceptable.
2. The Award will consist of an antiqued silver medal.
3. The Medal is normally awarded to an individual or small team who has contributed to the Academy's aims and work through their initiative in promoting engineering to the public.
4. The recipient of the Public Promotion of Engineering Medal will be selected by the Council of The Royal Academy of Engineering on the recommendation of the Awards Committee.
5. One Medal will be awarded annually. The Medal will not be awarded if in any year the Council so decides.
6. The winner of the Public Promotion of Engineering Medal will be announced by press release. On receipt of the award, the winner will be expected to present a keynote address at an appropriate Academy event.
7. Submissions should be made on the accompanying form (available also on [www.raeng.org.uk](http://www.raeng.org.uk)) and sent to The Royal Academy of Engineering and must give the following information:
  - (a) Particulars of nominee(s).
  - (b) Citation of not more than 500 words.
  - (c) Curriculum vitae of not more than two pages per individual should be attached.
  - (d) Letters of support from two referees should be attached.

**Only completed nominations will be considered. Please ensure that the nomination form is complete with CV(s) and letters of support at the time of submission.**

8. Submissions must arrive no later than **Friday 20 February 2009**.

All enquiries and submissions should be made to:
