Before **Internet** and **Cellphones**:

1. **Fewer** distractions.
2. **More time** to study.
3. **Less access** to Information.
4. **Different times!**
5. (...)

All teachers **want** the students **to know we are talking about JiTT to them.**

The teacher wants a student that study **before the class!**

Is it **lukewarm**  
**water** (...)?

We are **innovating**

In the past: **Wood fire**

Now: **water heater**

# Who uses JiTT?

#LaUISqueQueremos

- **More than 100** institutions across the US, Canada, Europe, and Israel have adopted the JiTT strategy.
