

Could your innovation change the world?

"The Enterprise Hub has brought us into this huge network of amazing entrepreneurs and opens doors that we weren't even aware existed!"

Bethan Wolfenden, bento•lab

"The Royal Academy of Engineering Enterprise Hub's resources and training are without doubt the best in the UK. I cannot recommend this enough!"

Dr Matt Murray,
Ultramatis

Enterprise Fellowships

Enterprise Fellowships are open to all entrepreneurial **academics** and **recent graduates** and will enable you to **bring your innovative technology to market.**
