

SMF Award Funding Pledge

The Sainsbury Management Fellowship (SMF) is a charity also known as Engineers in Business Fellowship. The objectives are as follows:

1. To promote continuing business education for all engineers to develop their skills of innovation, better management and governance;
2. To create and operate a charitable fund for the support of such continuing education;
3. To develop a network of engineers who are, or who have been, engaged in such education in order to identify and illustrate its benefits for the public benefit.

Congratulations on receiving an SMF Award, the receipt of funding for your MBA is only the **start** of your life-long association with the SMF. The SMF operates an active and supportive alumni network, markets "engineering", contributes thought-pieces to national press, mentors young engineers and provides opportunities for further development, among many other activities. This list is only likely to grow as the SMF continues to expand.

The SMF has also begun to work towards self-sufficiency in terms of funding future Awards and has an active fund-raising committee.

The SMF can only operate in this way with the on-going and active support of alumni.

Therefore, in exchange for funding your award, we expect you to pledge your support for the SMFs through:

- Helping to fund the day-to-day running costs of the Fellowship, through prompt payment of quarterly subscriptions

And, where and when possible, through actively supporting the SMF through various activities, which currently include:

- Helping to interview candidates for the Sainsbury Management Fellowship Awards
- Mentoring recipients of the Award, as required

- Helping with the duties of running the Fellowship, as personal time allows, and as required
- Attending networking events, such as the AGM and annual dinner
- Supplying the Fellowship with contact details/ suggestions for guests to enrich networking at events
- Supporting the Engineering Leadership Scheme run by the Royal Academy of Engineering through attendance at the selection and annual events as required
- Considering standing as a committee member or a trustee of the charity, if asked

Before your award can be paid to you, we must have a colour photo (head and shoulders shot) of you **which is over 1MB**. **We will also require your completed SMF Awardees Q & A Document.**

We would also ask you to sign the attached direct debit mandate to enable the membership subscription to be collected, currently £15 per quarter.

By completing this pledge you consent to the Engineers in Business Fellowship processing the personal data you provide for the purposes of administering the scholarship alumni scheme. We may share your personal data with carefully selected suppliers who administer the scheme on our behalf or otherwise provide services to us from time to time. Such suppliers may be located outside the European Economic Area. By sharing your personal data with us you consent to this processing.

Please see our [Privacy Notice](#) for further details.

As an organisation founded and managed by its Members in support of their shared interests, the Engineers in Business Fellowship has a mandate to promote cooperation between its Members. We wish to share your contact details with Members who may be located anywhere in the world so that they may contact you.

Please check this box to confirm that you agree for us to share your data with other Members.

By checking this box you agree to all the terms and conditions of this pledge.
